When your merchant tells you he can
sell you other makes at less money than
you can buy the BUCKSKIN BREKCHES
it may be true, but when he says they
are just as good it is not true. He makes
more profit on inferior goods and that is
why he says they are just as good. Insist
on seeing the BUCKSKIN BREKCHES

City Health Officer Stewart should take
steps to stamp out the epidemic of "Sweet
Marie" that persists in prevailing here.
Unlike other contagious it refuses to run
a course and die of its own accord, and
it is feared that with the approach of sum-
mer the fatalities will be numerous.

Work on the new brick building of Mr.
J. M. Johns is progressing rapidly, and
Contractor Fields says that the building
will be ready for occupancy in a few
weeks. When completed the building
will be occupied by Joseph Eckert, the
old and reliable baker. Mr. Eckert in-
tends to greatly improve his facilities for
furnishing the people of Starke with
bread and sweetmeats.

The teeth should not be forgotten. The
value of good teeth cannot be overestima-
ted. Dental work properly done before
it is too late spares one a great deal of
pain, and will often preserve the teeth for
a life time. Long practice in dentistry,
as in all professions, makes perfect. I
have had the practice and can guarantee
good work. Office at residence south-
east of F. C. & P. depot. J. O. Haynes.

Judge Tumblin Recommended.

At a meeting of the democratic voters
of this precinct held at the court house
Monday for the purpose of recommending
to the county executive committee a suit-
able man to be recommended to the gov-
ernor for appointment as county commis-
sioner, Judge W. W. Tumblin was an
easy winner.

Major Thos. E. Bugg, district chair-
man, was made chairman and F. R. Mor-
gan secretary of the meeting.

Col. C. L. Peek moved that the meeting
proceed to the recommendation by ballot,
and Col. James T. Wills moved a sub-
stitute to the motion to proceed by viva
voce vote. The substitute was carried
and nominations were declared in order.

Capt. J. C. Richard placed Judge Tum-
blin in nomination, and Judge W. F.
Malphurs seconded the nomination.
There were no other nominations, and
upon motion of Colonel Wills Judge
Tumblin was declared the unanimous
choice of the meeting.

The matter of choosing a county com-
missioner being left by the law entirely in
the hands of the district chairman, Col.
Wills thought that the thanks of the
voters of the district were due to Major
Bugg for leaving the choice with them,
and moved that the thanks of the meeting
be tendered him for this good democratic
manner of making the selection. The
motion received a chorus of seconds and
was unanimously carried. The meeting
then adjourned.

Judge Tumblin is too well-known to
need introduction to our readers, but suffice
it to say that he has served in the
capacity of county commissioner before,
and his stewardship was entirely satisfac-
tory.

Mr. T. A. Knight, the retiring member
of the board, has made an excellent com-
missioner, and retires with the esteem and
confidence of the people whom he has
served.

A Cure for Rheumatism.

BENTON, ARK.

Messrs. Lippman Bros Savannah, Ga.

Gentlemen:—I had Rheumatism about
two months during last winter, was con-
fined to my room most of the time. I
saw an advertisement in the Salline Cou-
rier recommending P. P. P. as a cure for
Rheumatism. I bought three bottles, but
before I got through with the third bottle
I was cured, and have not felt the least
effect of Rheumatism since. It is un-
doubtedly the best remedy for Rheuma-
tism I ever tried. I can cheerfully recom-
mend it to the public.
